

RSVP for Our First Chapter Event of the Year

Installation ZOOM and open discussion - September 21, 2020 @ 6:45 pm

Please RSVP as soon as possible with your intention to join our virtual banquet at amycerniglia@gmail.com.

As you may have heard in a previous blast, our Chapter will soon celebrate a virtual installation with a brief message from our chaplain, Father Wilson. Order in, cook, or bring your favorite snacks to share a “banquet” with fellow members that you haven’t seen in some time!

After the message from Father Wilson, we want to hear from YOU! What kinds of conversations would you like to have via ZOOM as our chapter keeps in touch over the next few months? Maybe you’d like to hear what fellow music directors are doing with choirs during the pandemic, or discuss public domain resources for services that are posted online, or maybe you’d just like to have a free discussion with no agenda over a virtual happy hour!

The Events Committee will be present and all ears to listen to any ideas that might come to mind. Make your voice heard and join the discussion following our virtual installation banquet on September 21st by clicking the ZOOM link below or copying and pasting it into your web browser at 6:45 pm that evening.

After loading the meeting, ZOOM will ask for a password, which is listed below as well. It is also suggested that you update your copy of Zoom as the software is updated frequently and may not load until you have the most current version.

Your officers have missed connecting with you in person over the past few months and look forward to an evening together!

Peace to all of you,
